Thanks, Shanta! No, we haven't received a response as to what to do from the IO so far as signature authority. That said, I'm willing to sign, as I've done before, until which time the new SOP is developed, but Debra did not send the letter to me. If someone can get it to me, I'll provide my digital signature today. Thanks!

Hi Marion,

Has the non-FIFRA determination been signed yet for 87978PA3? The PRIA date is tomorrow and I do not see any emails with the signed letter.

Hi Marion, Shanta,

I just wanted to thank you for picking up the slack with Aldicarb while I am out of the office. If you have any other questions, you can text me/or call and I can see what I can do while I am out.

The only other item of concern is the Non-FIFRA determination that needs to go out while I am out of the office. I think Catherine is still checking on who would sign the memo. The PRIA due date is 9/25/20.

Thanks again,
Debra
